

Saniterg

CONCENTRATED DISHWASHING DETERGENT For Handwashing of Dishes & Glassware

Product # 292

DESCRIPTION

An excellent concentrated dishwashing detergent for hand washing of dishes and glassware, with a pleasant lemon fragrance. Concentrated, holds grease and oil in suspension for the best cleaning results. It works well in hot, cold, hard or soft water. With a special ingredient that makes suds stand up, penetrates through layers of residue to lift off the grease and soil. Leaves the dishes clean and sparkling. Mild and gentle to the hands, does not irritate the skin.

FEATURES AND BENEFITS

- * EXCELLENT grease-cutting properties, makes suds stand up.
- * REMOVES grease and dried-on food residues.
- * LEAVES NO STREAKS or spots on glassware.
- * MAKES abundant lather quickly in any type of water.
- * MILD and gentle to the hands.
- * SAVES time and labor because it cleans and rinses fast.

USAGE

Recommended for commercial, institutional and household use. Great for restaurants, cafeterias, hotels and food preparation facilities.

DIRECTIONS

For best results add water to Saniterg, one ounce in 2-3 gallons of water. For EXTREMELY GREASY dishes it may be necessary to add more product.
