

# Sure Clean

## MECHANICS HAND SOAP

**Product # 266**

### **DESCRIPTION**

Sure Clean is a special heavy duty hand cleaner formulation with natural citrus, synthetic detergent emulsifiers and water miscible penetrants designed to quickly remove grease, oil, heavy dirt, grime, tar, carbon black, putty, ink, various paints, lipstick, resins, rubber cement, etc. Sure Clean gently lifts grime and dirt from your hands leaving a fresh citrus fragrance without the use of harsh abrasives.

### **FEATURES AND BENEFITS**

- \* Clears Grease and Grime*
- \* Helps Prevent Chapping*
- \* Leaves Skin Smooth*
- \* Cleans and Refreshes Hands*

### **USAGE**

Recommended for commercial, institutional and industrial use. Perfect for mechanics, auto shops, auto parts stores, hardware stores, manufacturing plants and more.

### **DIRECTIONS**

Apply to dry hands and rub gently until dirt is liquefied and soil is loosened. Rinse off with water and dry. Sure Clean may also be used without water. Leaves your hands fresh and clean.
