TOUGHEST STAINS!**

Spotless

Laundry Stain Emulsifier & Remover

REMOVES OIL & GREASE FROM WHITE AND COLOR FABRICS

Product # 325

DESCRIPTION

SPOTLESS Laundry Stain Remover helps to break up mineral oils and greasy soils in laundry operations. This special formulation breaks up the grease and carries it away from fabrics. Removes oil and grease stains from white or colored fabrics. Leaves no residue. Whitens and brightens colors too. Great for the "grease collar" on shirt's neck and cuff.

BENEFITS

- * FAST ACTING, MIX WITH DETERGENTS
- * REMOVES OIL AND GREASE BASED STAINS
- * DOES NOT FADE COLORS

USAGE

Recommended for commercial, institutional, industrial as well as household use.

DIRECTIONS

Use in conjunction with laundry detergent for removal of stains, oil or grease from white and colored polyester or cotton fabrics, linens, table cloths, work towels & wipes. Add to your regular detergent as follows: For colored table linens, 4 ounces. For white flat work, 2 ounces.

To spot clean the grease stains from shirt's neck and cuff and other tough stains: Apply product directly on the stain, let stand a few minutes, scrub gently and wash as usual. Some very tough stains may require a second application.
