

# ALUMINUM BRIGHTENER

## STAIN REMOVER

**Product # 448**

### **DESCRIPTION**

The easiest and fastest way to clean and maintain your aluminum trucks, trailers, boat trailers, aluminum structures, parts and pieces. Removes grease, grime and other soil from machinery parts, trailer trucks, buses, cafeteria trays and other aluminum surfaces without attacking or discoloring the aluminum. Very easy to use. Cleans and brightens in one easy operation.

### **USAGE**

Recommended for commercial, institutional, educational and industrial use to clean and maintain aluminum trucks, trailers, machinery parts, surfaces, trays, objects, etc.

### **DIRECTIONS**

FOR ALUMINUM TRUCKS, BUSES AND MACHINERY: Use 1 part product to 15 parts of water. Depending on the amount of soil on the surface, increase the concentration gradually. Spray or mop the solution on and allow to remain until dirt is dissolved, then rinse with fresh water.

FOR ALUMINUM UTENSILS AND FIXTURES: Use 1 part of product in 8 parts of water. Use large container and submerge smaller pieces for 15 minutes, then rinse with fresh water.

Avoid getting product on glass or painted surfaces as etching may occur. Rinse any residue immediately.

### **PRODUCT SPECIFICATIONS**

<b>APPEARANCE</b>	Clear, blue liquid
<b>ODOR</b>	Pungent
<b>WEIGHT / Gallon at 77°F</b>	11.5 lbs.
<b>FLASH POINT</b>	None
<b>WATER SOLUBILITY</b>	100%
<b>pH IN CONCENTRATE</b>	1.0
<b>SOLVENTS</b>	None
<b>SHELF LIFE</b>	1 year plus in closed container
<b>PACKAGING</b>	55, 35, 15 Gallon drums 5 Gallon pails Cases of 6/1 and 4/1 Gallon jugs
