

TRUCK & BUS WASH

HEAVY DUTY CONCENTRATED DETERGENT

Product # 482

DESCRIPTION

Truck & Bus Wash is a heavy duty detergent concentrate designed for truck, bus and trailer wash. It works quickly to penetrate, emulsify and rinse away road dirt, grime, grease, insects and road particles. This product is a special formulation of detergents, degreasers and water conditioning agents to facilitate the cleaning of vehicles with minimum agitation and maximum efficiency and safety. Truck & Bus Wash is completely safe for all acrylic, enamel lacquer and metallic paint finishes. Safe to use on stainless steel and aluminum, steel painted finishes, rubber, glass and all surfaces found in the transportation industry. It has no harmful fumes, is non-flammable and biodegradable. Suds will break rapidly during rinse cycle. Special water conditioning ingredients give spot-free and streak-free drying.

USAGE

Recommended for commercial, institutional, industrial and household use. Great for trucks, busses, vans, trailers, tractor-trailers and many others.

DIRECTIONS

May be used manually, with spray-washing equipment, in automatic mechanical foaming devices or in steam cleaning equipment. Rinse off truck or bus with a stream of water. For manual bus and truck washing, dilute 4 ounces of detergent per gallon of water. Wash as usual. Rinse and allow to air dry. For high pressure machine bus and truck washing, dilute 4 ounce per gallon of water. Wash as usual. Rinse with water and allow to air dry. According to seasonal temperatures and job difficulties, the dilution may be adjusted.

PRODUCT SPECIFICATIONS

APPEARANCE	Clear, green liquid
FRAGRANCE	Light lemon
VISCOSITY @ 77°F cps	Water Thin
SPECIFIC GRAVITY at 77°F	1.06
pH IN CONCENTRATE	11.0 - 12.0
FLASH POINT	None, non-flammable
WATER SOLUBILITY	100%
RINSING PROPERTIES	Excellent
BIODEGRADABLE	Yes
SHELF LIFE	1 Year in unopened container
PACKAGING	55, 35, 15 Gallon drums 5 Gallon pails Cases of 6/1 and 4/1 Gallon jugs
